

RPS EXPORTS PRIVATE LIMITED

A Hand-Book on Passenger Car Radial Tyres

COMPANY PROFILE

RPS Exports Pvt. Ltd, one of the leading companies based India with its wholly owned foreign subsidiaries in China, Thailand & Taiwan.

Ever since the company was established, we always have been going forward with positive and challenging mind to produce all best and high quality tyres in India and China. We are successfully supplying our tyres to Asian, Middle Eastern, African, and European countries.

Our mission is **‘Transforming Vision into Reality’** and to achieve this, we aim to provide quality tyres with 100% quality warrantee, strive to keep ourselves up-to-date in technologies and resolutions that meet all generation requirements.

At the pinnacle our priority is to foster our customer’s profitability by serving our products, exclusive selling-rights at very competitive prices, full range of point-of-sale materials.

Developing a Corporate Culture that enhances the value of our business, expand opportunities for the growth of an objective to provide easy access to our products and services round the clock.

We have strived to remain ahead of the times since beginning, nurturing our existing technology and fusing the old with the new, to deliver results that match global standards and satisfy our customers’ needs.

Our tyres & tubes are appreciated globally for their competitive pricing and unmatched quality, making us a popular brand choice across **85 countries**.

Mission: -

“Transforming Vision into Reality” and to achieve this, we aim to provide quality tyres; strive to keep ourselves up-to-date in technologies and resolutions that meet tomorrow’s requirements.

Our priority as a business objective is to foster our customer’s profitability that is the reason we are successfully achieving new milestones every day.

Vision:-

To provide top quality products and services, maintain our top market ranking, and expand our domestic and international markets using our long standing heritage, goodwill, and marketing strategies.
